**Kind Attention: HOD's / Civil / Chemical / Environmental / Infrastructural Engg**

Dear Sir / Madam,

**Sub:** Invitation for “*National Conference on Advance Trends in Civil Engineering (NCATCE - 2012)*”. Requisition for contribution of Technical Papers and Participation - Reg.

Dear Sir,

It is our pleasure to inform you that the Department of Civil engineering, Karpagam University is organizing the ***National Conference on Advanced Trends in Civil Engineering (NCATCE - 2012)*** at Karpagam University during 2-3 March 2012. This will provide a forum to exchange ideas, techniques, and applications, discuss best practices and share experience among researchers, practitioners, developers and academicians working in the cutting edge of Civil engineering.

On behalf of the organizing committee and Program Committee, we invite all the staff members and students of your Organization/ Industrial /College/department to attend this national conference as delegates. I am enclosing the call for participation that gives information on topics covered by the conference, keynote and invited speakers, registration and accommodation. The registration form is enclosed. This information may be kindly circulated to all interested in your Institute/college/Department.

In case you have not submitted a paper within the stipulated date, you can do so now to present the paper in any area of Civil Engineering in a specially arranged Post Paper session. Kindly send an extended abstract and full paper latest by 15<sup>th</sup> February 2012 to Prof.M.Karthic Kumar at email- [ncatce@gmail.com](mailto:ncatce@gmail.com).

With our personal regards,

Enclosure:

National Conference Brochure

Yours Sincerely,

**Prof.M.Karthic Kumar**

Organizing secretary

**Prof.C.Sivakarthyayan**

Head of the Department
